Additional Conditions to
Boarding Establishment Licence

1. Dogs over the age of 5 months kept in the licensed boarding establishment must be microchipped and have a valid dog licence.
2. All dogs and cats kept in the licensed boarding establishment must be vaccinated by a registered veterinary surgeon against Canine Distemper, Canine Parvovirus and Infectious Hepatitis, for dogs, or Feline Panleukopaemia, Feline Respiratory Disease Complex, for cats. A valid and up to date original or copy of the vaccination certificate of the animal should be available for inspection, (bearing the microchip number for dogs.)
3. The licensee must maintain an up to date register of all boarded animals in a format prescribed by AFCD (Annex I) detailing the microchip numbers, dog licence numbers and validity dates, for inspection by an authorized officer at all times. The register must be kept for a minimum period of one year. The register requirement shall be considered satisfying paragraph 8 of the Code of Standards for Licensed Boarding Establishment.
4. The Director of AFC hereby reserves the right to revoke the licence if the licensee is convicted of any offence relating to or in respect of the operation of the licensed business or the provision of animals boarding services on the licensed premises including but not limited to any improper use of the land and /or contravention of any applicable laws.
5. The licence number must be displayed on any advertisement, websites, or other forms of promotion for the animal boarding establishment.
6. The licensee must provide the business name, business address and business telephone number for publication in the “Licensed Boarding Establishments List” on the official website at www.pets.gov.hk for public access.
